Oke Tor Home Learning Autumn 2 2027

Project Home Learning to be brought into school during the week of 19th October.

English: **Reading**: Children are expected to read 5 x per week at home. Ideally, some of this reading will take place with an adult. **We are making reading fluency a particular focus this term and this can only be checked by hearing children read aloud**. The number of pages read can be recorded in their reading record books or bookmarks but we encourage parents and carers to record the reading by writing / signing in the book. **If children complete 5 reads, their name will be entered into the reading raffle and they will receive three tokens.**

Spelling: Lists of spellings to be learnt each week will be on the website and a paper copy stuck into Home Learning books. Spelling tests each week are focused on the Common Exception words. We keep revisiting these so it is likely that some in the list will need less practise than others. A relaxed spelling test takes place every Friday. **Please practise spellings in the home learning book so the token can be awarded.**

Maths:

Times tables – Year 3 children are expected to learn their 2,3,4,5,8 and 10 times tables, Year 4,5 and 6 up to 12 x 12. Knowledge of times tables form a vital foundation for further maths learning. All children have a log in for Times Table Rock Stars which they are able to access from home if they wish to. We can provide other ways of practising times tables if access to a device is a problem. Year 4 children are preparing for the Multiplication Tables Check which takes place in June. Please encourage them to practise 'soundcheck' on TTRS to try to answer 25 questions correctly.

Weekly challenges: Children will be given a maths challenge from school each week. These will be stuck into their home learning books to be completed at home. We will alternate arithmetic practise with maths games to play together.

Please write any feedback about the games in the home learning book. You may see the games coming home more than once!

Topic Home Learning:

No Topic home learning this term as we will be asking children to learn lines and songs for the Christmas play!
