Littlemoor Home Learning Autumn 2 2026

English

Reading: Please read with your child at least 5 times per week. Please record every time your child reads to you in their yellow reading record book. If children complete 5 reads, their name will be entered into the reading raffle, and they will receive 2 tokens.

Spelling: Children will find a list of the spellings we are focusing on in their home learning book, these come from the updated year 1 and 2 spelling list. We have an informal test of these each week on a Friday. Children will note down any they get incorrect in their reading record to practise again.

Maths

Maths Home Learning Tasks: Your child has been sent home with maths worksheets in their home learning book. Each sheet correlates with the work the children are doing in class. Please return the homework book each week. **Homework books will be given out on a Friday to be returned on a Wednesday please.**

Times Tables: Please can children also use TTRS/Numbots. Logins are in the children's reading record books. Children should access this for at least 5

minutes daily- any problems please let Miss Smaridge know.

Team points will be awarded for completed home learning.

Geography: Mini Mappers

This half term we are learning all about maps in our Geography lessons.

You can pick a half term challenge of your choice about the human body. I have listed some ideas below;

1. Map your neighbourhood

Explore your local area with an adult and draw your own map. Include houses, roads, shops, parks and trees. Add a simple key using symbols.

2. A Bird's-Eye View

Imagine you are a bird flying above your house! Look at a room or garden from above and draw what you think it would like from the sky. Include furniture, paths, plants or garden features.

3. Create a Treasure Map

Create a treasure map of your home or garden. Draw a starting point, add 3 land marks and mark where the treasure is.

4. Design Your Own Mini Town

Imagine you are planning a brand-new town! Use Lego, junk modelling or paper to create your town. Include houses, a school, shops and a park.
