

Dartmoor
MULTI ACADEMY TRUST

Dear parents and carers,

Welcome to the Summer term's home learning. Although school remains temporarily closed due to the Corona virus pandemic, you will continue to receive weekly planning for home learning each Friday for the following week. Teachers will further support learning through tutorials on Class Dojo or links to YouTube. As evidence of learning, we expect you to post samples of learning for your child's teacher to assess on Dojo. Learning support will be offered.

We want to support you and your families as much as possible by providing help and support with the disruption to the daily routines that your child is experiencing, particularly in relation to their learning and education. In the Home Learning section of our website you will find a recommended timetable for your child to use to ensure that all subject-areas of the curriculum are followed throughout the working week. These are only recommendations and are intended to support you at this time.

As well as your weekly plan, please keep an eye on your class posts on Dojo. Submitted home learning will earn points and the app is so easy to use. Class Dojo is a fantastic resource to communicate remote learning.

In order to get the most out of this remote learning provision, we do ask that the following is adhered to:

1. Teachers will respond to learning submitted during school hours. If submitted outside school hours teachers may respond the next day during working hours.
2. Parents should refrain from using this method of communicating with teachers, unless it is home learning related.
3. Parents who wish to contact members of staff on anything other than home learning should do so through traditional channels of e-mailing the school.
4. Completed timetables are sent at the end of the week through admin@boasleycoss.devon.sch.uk.

The key message is 'do what you can'. We are all learning in this new and fast-changing climate. Build in breaks, and, if you can, try to find time for your child to go outside and promote physical activity as much as possible. Our recommended life skills are a great way to promote responsibility in the home. Above all, please do not put extra pressure on yourselves or your children and if we can help in any way, do get in touch.

With best regards,
Deirdre Petersen

English

Week Beginning: 13/4/20

Alongside the phonics and writing activities planned, please share a book with your child every day. Look at range of books, magazines and printed text. Ask your child questions about the text: What do you think will happen next? / How do you think the character is feeling?

There are a range of audio books on the link shown below:

<https://stories.audible.com/start-listen>

Monday	<p>Phonics: ‘ai’ sound</p> <p>Watch the video shown on the link below. What other words can you think of with the ‘ai’ sound? Can you list three words?</p> <p>https://www.bbc.co.uk/bitesize/topics/zvg9bdm/articles/z4xsxyc</p> <p>Writing activity</p> <p>Plan a tea party for your toys, write a list of what you will need! Use your sounds to sound out each word and write it down. You might need; crisps, ham, cheese, apple...</p>
Tuesday	<p>Phonics: ‘ee’ sound.</p> <p>Watch the video shown on the link below. What other words can you think of with the ‘ee’ sound? Can you list three words?</p> <p>https://www.bbc.co.uk/bitesize/topics/zvg9bdm/articles/zn9q92p</p> <p>Writing activity</p> <p>Choose a favourite picture book and tell the story to your toys.</p>
Wednesday	<p>Phonics: ‘igh’ sound</p> <p>Watch the video shown on the link below. What other words can you think of with the ‘igh’ sound? Can you list three words?</p> <p>https://www.bbc.co.uk/bitesize/topics/zvg9bdm/articles/zkhvhbk</p> <p>Writing activity</p>

ICT Games <https://www.ictgames.com/>

	Draw a picture of your house and have a go at adding labels to your drawing. For example; roof, garden...
<u>Thursday</u>	<p><u>Phonics: 'oa' sound</u></p> <p>Watch the video shown on the link below. What other words can you think of with the 'oa' sound? Can you list three words?</p> <p>https://www.bbc.co.uk/bitesize/topics/zvg9bdm/articles/zh4j47h</p> <p><u>Writing activity</u></p> <p>Follow the link shown below and watch the learner guides on how to form different letters. Have a go at forming each letter in your writing book.</p> <p>https://www.bbc.co.uk/bitesize/topics/zgjj6sg</p>
<u>Friday</u>	<p><u>Phonics: 'oo' sound</u></p> <p>Watch the video shown on the link below. What other words can you think of with the 'oo' sound? Can you list three words?</p> <p>https://www.bbc.co.uk/bitesize/topics/zvg9bdm/articles/z4tyt39</p> <p><u>Writing activity</u></p> <p>Select three tricky words from the list below and have a go at reading and writing each word. Can you apply the word within a sentence?</p> <p>(Phase 4 tricky words: have, so, like, said, do, some, come, little, one, were, out, what, when, there).</p>

Maths

Week Beginning: 13/04/20

White rose maths: The link below will take you to the White Rose maths website. If you follow the link to the EYFS Summer term week 1, you will find a weeks' worth of learning for your child. Each lesson has video and an activity you can have a go at.

<https://whiterosemaths.com/homelearning/early-years/>

Day	EYFS
Monday	Summer 1- Week 1 (Supertato) Activity: Comparing and measuring.
Tuesday	Summer 1- Week 1 (Supertato) Activity: Correct or incorrect number and shape facts.
Wednesday	Summer 1- Week 1 (Supertato) Activity: Exploring shapes.
Thursday	Summer 1- Week 1 (Supertato) Activity: Patterns.
Friday	Summer 1- Week 1 (Supertato) Activity: Number.

Wider Curriculum

Week Beginning: 13/04/20

Physical Development

In such a turbulent time, it is vital we stay both fit and healthy. Try to do at least 30 minutes of physical activity a day. Whether it is running around in your garden, or completing a home workout. Staying fit will keep you both healthy and happy.

Please see below for some links towards fitness activities aimed at children in Reception:

<https://www.nhs.uk/10-minute-shake-up/shake-ups>

(Ten-minute videos based on Disney films.)

<https://www.bbc.co.uk/programmes/b006mvsc>

(Videos that get younger children up and dancing with CBeebies presenters.)

Expressive Art and Design and Understanding the World

This week we have been looking at the book 'Supertato' in maths. Can you have a go at some of the wider curriculum activities linked to our book?

Draw a face on a potato to create your own Supertato! Take Supertato around your house to help out with jobs, such as tidying your bedroom. What other helpful things can he do?

Using objects from around the house, have a go at making a home for Supertato.

When making or eating a meal, discuss which parts of the meal are vegetables and which are healthy for your body. You could also make a healthy snack such as a fruit salad.

Talk about what your name would be if you were a superhero and what special powers you would have.
