

# Littlemoor Homework Spring Term 2021

All children are expected to complete the following each week:

1. Phonics/spelling word practice (Year 1 and Year 2 only) - this can be by handwriting the words or by creating a sentence using the word.
2. Reading aloud to an adult at home - at least 5 times a week. Every day is best. Record reading in new reading records.
3. One project homework task per half term - we will share these in class before the half term holiday.

With just two weeks left this half term, the homework 'projects' are optional. If you do decide to take part, please feel free to use your creativity.

Thank you for your ongoing support with learning and for making the children's transition back to school a very happy one!

Mrs Elliott

## Project 1

Research your favourite animal.  
Is it a mammal, reptile, amphibian, bird or fish?  
What does it eat? Is it a carnivore, herbivore or omnivore?  
What type of habitat does it like?  
Which countries does it come from?

## Project 2

Make your own printing tile and experiment with printing patterns. You could do potato prints or make your own printing tile with string.

Be as creative as you like and have fun!

## Project 3

Decorate an egg!
