Dear Parents/Carers

Sports Day - Thursday 14th July

We would like to invite parents and our community to Sports Day on Thursday 14th July from 1.30-3pm, followed by FOBCS stalls and further fun sporting activities until 4pm! Parents will be able to watch their children participating in a wide range of races. We ask that children come to school in their PE kits for the whole day, with a drinks bottle and their school cap. If the forecast is for a warm and sunny day, please make sure that your child has sun cream applied before coming to school.

Book and Biscuit Afternoon

We are looking forward to welcoming parents and community to our Book and Biscuit morning next Friday 8th July. The school will be open to visitors from 8.40am where parents can share the children's learning, followed by Celebration Assembly. The children will also be performing various songs they have been exploring in their music lessons, as well as singing our trust song of Hope. FOBCS has kindly offered to provide refreshments to parents. We warmly welcome everyone from the community to come and celebrate fantastic learning the children have been undertaking this term.

Year 3 Residential

Year 3 children enjoyed a wide range of activities at Adventure Okehampton on Thursday and Friday this week, with a Moorland overnight camp at Boasley Cross Primary. The children took part in a wide range of activities, making new friends and for many, spending their first time sleeping away from home. It was so lovely to see them all toasting their marshmallows around the campfire last night, singing a range of 'Voices' music songs. I think there will be some very tired children (and staff) coming home today!

If you have anything that you would like to discuss with your child's class teacher or myself, please do not hesitate to contact the office to make an appointment or send us an email.

Looking forward to seeing our parents and members on Friday.

Have a wonderful weekend, Mrs Cook

"We had a fantastic time at Potheridge House on our Year 4 and 5 residential trip. On the first day, we did low ropes which was all about teamwork. We also did orienteering, climbing wall and crate stack. When I was

on the crate stack with Isabella, we kept falling. We managed about 7 or 8 layers before our time was up. When we were being lowered, I accidentally sat on Finlay's head! The food was really good, and the dorms were great. I made some lovely new friends who I look forward to seeing on other trips. When we

went kayaking, I had to use all my resilience because I was a bit worried. But in the end, I was jumping into the lake from the canoe! I was happy to go home but I wished for a few more days with my friends and new friends." Marnie

"We went away to Great Potheridge House on our Year 4 and 5 residential. We did some exciting activities such as the climbing wall, low ropes and crate stack - which I got very annoyed about because I lost to Mrs Winter. Although, I only lost by a few - Mrs Winter got 13 stacks and I got -1!! On the low ropes we had to play an island game with a really long bridge, which in reality was a metre long plank, this was probably the most far-fetched

use of my imagination for the whole three days! The food was ok, but the sausage size was not up to expectations. When it was water sports day, I think I spent more time in the canoe and kayak which is an achievement for me!" Sam

"It was a pleasure and privilege to accompany the year 4 and 5s on their residential to Potheridge House. The children were fantastic and lived up to the Boasley Cross values throughout the three days. It was wonderful to see friendships strengthen and new friendships flourish. As staff across the three schools, we are collating the wonderful memories captured on camera. We will share this with you as soon as possible. Here are a few to give you a flavour of our adventure." Mrs Winter and Mrs Ogborne

RAINBOW DAY

On Wednesday this week, we spent the day celebrating our differences across the school through a variety of activities in our classes. One of our whole school activities included an assembly which was run by our fantastic school councillors who broached some questions with children all surrounding rainbow day and what it meant. Below are some questions and answers from the children and some photos of them in their lovely rainbow colours.

What is rainbow day?

- A day to talk about your differences.
You can show what you like.
- You can show you're different in really special ways.
- Its to celebrate your differences.

Do you feel good being different?

- I like being different because otherwise it would be really boring.
- Being different makes me feel happy.
- It would be boring if we were all the same.
- Everyone has their own hobbies and they are good in different ways.

How can we celebrate our differences?

- We can celebrate our differences by being kind to others.
- We can celebrate our different birthdays.
- We can learn about what we are each good at.
- We can have a day celebrating all about our differences like rainbow day.

Summer Fair!

Thursday 14th July
Boasley Cross Primary School

**Sports day at 13.30 followed by summer fair at
the school from 15.00**

Smarties Challenge!

FOBCS would like to give you a yummy treat,
so we're sending you these colourful Smarties to eat!

Keep the tube, don't throw it away,
do tasks and good deeds to earn your pay.

So come on Boasley pupils, answer our call,
So we can raise money for the good of our school!

Be a "smartie" and fill your tube with 20p's
And return to school by 8th July please!

Thanks for participating.
