Dear Parent/Carer

The final lap of the Summer term is well under way. Boasley pupils have had an enriching week to end the first half term with an outdoor classroom day and KS1 trip to Exeter Clip 'n' Climb. Our Clip 'n' Climb experience was a huge success, building upon physical literacy and the skills of problem solving and resilience. Well done Littlemoor!

This week, our resident Dartmoor ranger Rob and his colleague took us on a Bronze Age tour of local Dartmoor. The whole school faced the elements to learn about ancient history and take in the beautiful views. The icing on the cake was for the Y6 pupils who cycled back along the Granite Way. I can speak for all staff involved that the children achieved a great deal of learning from this day on Dartmoor and we wish to extend our thanks to the Rangers of our National Park.

Safeguarding: At Boasley, we are committed to supporting the emotional health and wellbeing of our pupils and staff. We know that everyone experiences life challenges that can make us vulnerable and, at times, anyone may need additional emotional support. We take the view that positive mental health is everybody's business and that we all have a role to play. We aim to do the following:

- . Help children to understand their emotions and feelings better
- . Help children feel comfortable sharing any concerns or worries
- . Help children socially to form and maintain relationships
- . Promote self esteem and ensure children know that they are listened to
- . Encourage children to be confident and take risks
- . Help children to develop emotional resilience and to manage social/emotional challenges

Sport and PE: Swimming sessions continue on Thursday mornings and pupils are getting much better at being independent with their belongings. It has been fantastic to see the progress made across the weeks, the last swim is on 18th July and this will be a fun session!

Kind regards

Mrs Petersen
