Boasley Cross Primary School – Respectful, Resourceful, Resilient

07/06/2024

Dear Families,

Welcome to a miniature version of the Newsletter. As I will be with the Year 6 children in Normandy next week, I thought it would be good to share key dates for the next half term with you this week and we'll have a more substantial newsletter again the week after.

It was great to welcome everyone back after the Half Term holiday and we were especially pleased when Thursday came along as we were then able to see our Year 5 friends who had returned from their residential to Bristol. They were a credit to the school while they were away – as we knew they would be!

It is an especially busy half term, particularly due to the other residential trips which are taking place. If you are unsure about any of the arrangements, please come and ask – there is a lot of information to take in! We have done our best to include as many key dates as possible at the bottom of the newsletter. You might need your diary handy....

There are some great photos of the children from Littlemoor taking part in their first session with Devon Wildlife which was held on Tuesday. They have plenty more to look forward to in the coming weeks.

I hope everyone has a lovely weekend and we look forward to seeing you again on Monday before the Year 6 children and I set off, later that day, to Normandy!

All the best

Mrs Hosking

Stars of the Week

Week ending: 7th June:

Oke Tor Star Learner: Hector for greatly improved handwriting and spelling in all his learning.

Littlemoor Star Learner: Nate for settling to his morning work independently and using the resources around him to help with his sentences.

Reading Basket / Box of Joy

All the children are encouraged to read at home at least five times during the week. Everyone who has 5 signatures in their reading record book is entered into a draw which takes place in Celebration assembly. The winner from Littlemoor receives the 'Book Basket' for the weekend and the Oke Tor winner has the chance to choose something from the 'Box of Joy'! All children who read 5 times also receive a Team Point.

We're using Arbor's free Parent Portal and Parent App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.

Fun digital therapy for childhood anxiety.

Lumi Nova: Tales of Courage is an engaging child-led, parent/guardian supported therapeutic intervention that can be used on most smartphones or tablets.

It facilitates graded exposures (the active ingredient of Cognitive Behavioural Therapy) with psychoeducation to empower 7-12 year olds with mild to moderate needs to learn to self-manage fears, worries and anxiety.

It is practical, age appropriate, non-stigmatising, encourages self management and provides user progress and health outcomes data in real time to authorised professionals.
